### **Renaming of Heinrich Betz GmbH & Co. KG**

Dear Business Partners,  
Dear Sir/Madam,

We are pleased to inform you today with this letter about an important further development of our company:

As of **01/01/2019**, **Heinrich Betz GmbH & Co. KG** will change its name to

**RB Solutions GmbH & Co. KG.**

The renaming is the consequence of the shareholder change completed 5 years ago. Our company information, such as addresses, bank details and VAT ID, remain unchanged.

Of course, all existing orders, contracts and framework contracts remain valid.

Please note that from 01/01/2019 our business papers will be printed with the new company name and the new logo.

Please change your master data as of 01/01/2019 and change all correspondence including invoices to our new company name.

As usual, our employees will competently help you and will be available to you under the contact data you are already familiar with. Only the extension of the email addresses changes as follows:

**@hch-betz.de becomes @rbs-germany.de**

We look forward to a successful cooperation in the future.

Yours sincerely

Jörn Reichel  
Executive Partner
